Cost: **\$10 Admission** /100% of proceeds go directly to Albertina / Must Be 21 and show an ID

Albertina has been a driving force in the Michiana music scene for many years. Along side her famous mother, Martha, Albertina started working for The Midway Tavern & Dancehall (the family business) back in 1946 (her father had passed away after running it for 22 years).

Since then (65 years) she has maintained Michiana's oldest live music venue with every ounce of love in her heart. She has made the Midway one of the very best live music venues in the Midwest. Everyone from Rod Piazza to Barrelhouse Chuck to Grammy Award winning artist, Pinetop Perkins has played in her venue, and their autographs and photos are on the wall to prove it.

Albertina has dedicated her life to music and the time has come for all of us to give back.

Albertina has been diagnosed with Colon Cancer and although she has health insurance, it does not cover all of her medications; medications that are costing her \$ 4,400 out-of-pocket per month.

Then, within the past month, Albertina's 49-year old son Mark died unexpectedly.

This is a very stressful and trying time for Albertina and she needs all the support we can give. Please join us as the entire music community comes together to show her how much she means to all of us.

(To Be Confirmed Soon). Possible performances by THE WHISTLE PIGS, ELWOOD SPLINTERS and MANY MORE, including an ALL-STAR JAM! The ALL STAR JAM will take place after scheduled performances. I can assure you that Michiana's FINEST will all be in the house, showing their love for this very special lady! You won't want to miss this!

This event is co-sponsored by Pacific Coast Concerts, Finncade Shows, Club Fever and many more wonderful contributors of the local music scene!

Pacific Coast Concerts will donate \$10 to Albertina for each JOHNNY WINTER concert ticket you buy from this point forward. Those with a ticket stub from the show will get into the after party... free!

Get your JOHNNY WINTER tickets at Morris Performing Arts Center, Club Fever and Orbit Music, or online at <http://morriscenter.ticketforce.com/>

Be sure to invite or bring your friends!
